

Newport Historical Society Fundraising Committee Report September 2011

September 30, 2011

Friday afternoons have continued to be very busy at the Farmers Market from 3 to 6 PM. Results from September are:

September 2 - \$78.00
September 9 - \$131.62
September 16 - \$137.50
September 23 - \$94.00
September 30 - \$276.00

We have received the second quantity of 50 South Church ornaments during September; so, we are well supplied for the coming holiday season. Ornaments expiring at the end of 2011 are the Opera House and Richards School that have reached the end of their three year availability. Additionally, the 250th Anniversary ornament is available for 2011 only and will also retire at the end of this year. If you are collecting all the ornaments, the next few months are your only opportunity to purchase the 250th ornament.

Our efforts during September as a Society have been preparatory in nature for Charter Week celebrations beginning 9/30 with the release of the Discovery Challenge packet to interested participants. Activities will last through Monday 10/10 when the Discovery Challenge digital photos must be turned in. During this time all of our retail offerings will be available at most event venues.

Respectfully submitted
Jacqueline Cote
